**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic fiber internet subscriber and want to support the Sonic effort to encourage competition in the telecom market place.

Sonic delivers a superior high speed service at a competitive price and is committed to net neutrality and privacy for it's subscribers.

Compare to my previous experiences with Att and Comcast, there is No Comparison.

I am behind Sonic 100% . Not just a company, but a mission to really make the web accessible to all at an affordable rate.
